For the people who select Police Technology

COP TECH FORUM

Join us at No Cost to Your Agency
November 16-18, 2021 in Miami, FL

AIRFARE, HOTEL, MEALS AND CONFERENCE COVERED BY GRANT

It's Where Police Departments Find New Solutions in

Law Enforcement Technology

An Eaton Hall Event

www.CopTech.com

If your agency is looking for the newest in police technology, you'll get the inside view at CopTech

What is CopTech Forum?

CopTech is a unique live event where agencies learn from each other, from experts, and from leading suppliers who make the best choices for their department's new technology.

Why should I go to CopTech Forum?

You should go so you don't make mistakes when you buy. If you're purchasing video, mobile data, communications, CAD, LPR, crime software or more, you'll learn first-hand from other agencies what can work for you, and what doesn't.

You'll have in-depth demos with solutions providers, get detailed answers to your specific questions, and learn grant-writing secrets from our nationally-known experts. You'll come back ready to lead your agency to the best tech deployment possible, and to find funds to pay for it.‰

There's absolutely no cost to my police agency?‰

Your airfare, hotel, meals, & fees are paid in full by our grant, if you qualify. CopTech is an independent, unbiased conference, not put on by any vendor. Our only purpose is to help you find solutions; we have nothing to sell you.

Is it really worth my time to be here?

"One of the most productive events I've ever attended" said Brevard County Sheriff. **"Simply a great event!"** said Baltimore PD. **"Fantastic. First-class all the way,"** raved Rocky Mount, NC. CopTech is useful, it's relaxed, it's valuable. Ask anyone who's been to CopTech; they'll tell you it's an event worth being at.

If you direct technology for an agency with 100+ sworn officers, apply online to see if you qualify for our grant. Grants are limited to 50 agencies each event, so don't delay.

Apply to Attend at www.CopTech.com

November 16-18, 2021 in Miami
